Crest Plus Checking	\$50	\$500	_____ %	_____ %	<ul style="list-style-type: none"> ✓ Your interest rate and annual percentage yield may change, at our discretion, at any time. ✓ Interest begins to accrue no later than the business day the bank receives credit for the deposit of non-cash items (for example, checks). ✓ Interest is compounded and credited monthly. If you close your account before interest is credited, you will receive the accrued interest. ✓ We use the daily balance method to calculate the interest on your account. This method applies a daily periodic rate to the principal in the account each day. Money Market Checking and Diamond Savings Accounts only. ✓ Interest paid on the full balance in the account at the rate that corresponds to that deposit tier. Money Market and Savings Accounts ✓ You may make up to six (6) preauthorized or automatic transfer/withdrawals from your account per month. Student Savings ✓ The account is interest bearing with no required minimum balance or maintenance fee. ATM Card available to 14-year-old or older with an Adult on account. Diamond Savings ✓ Limit to one withdrawal per month.

* Daily balance (the amount of principal in the account each day). **Annual percentage yield assumes interest remains on deposit. Withdrawal of interest will reduce earnings. Current rates will be quoted upon request or at the time of opening an account. *** Your certificate will be renewed as a variable rate certificate. During the term of this certificate, you will have the option to step-up the interest rate once during the term of the certificate to the interest rate available for this type of certificate at the time of the request. From the time you exercise your step-up option until maturity, you will earn the interest rate effective at the time this option was exercised. At no time will the original term of this certificate be extended. This option can be exercised once at any time during the term of this certificate. The step-up feature will apply to subsequent renewal periods unless notified in writing by the bank prior to the next maturity date.
