

Deposits • Loans • Wealth Management
Big Bank Products • Community Bank Service

At Crest Savings Bank, we are committed to supporting the residents and businesses in our community. We are reaching out to let you know that we are monitoring the COVID-19 pandemic closely and are taking the necessary precautions to ensure the health and well-being of our employees and customers, as follows:

- We have leveraged our technology resources to ensure continuity of operations.
- We are providing banking services via drive-through and full-service ATM at our branch locations.
- We will continue to offer flexible banking services through our suite of online and mobile banking options 24/7.
- We have enhanced the cleaning procedures at all our locations.
- We have established a comprehensive staffing plan that includes certain employees working from home and strict “social distancing” within the workplace.
- We have asked our employees to closely follow the recommendations from the Centers for Disease Control (CDC).

We are committed to working with our customers during this difficult time, so please reach out to us at 609-522-5115 to let us know what we can do to help with your loan or deposit accounts.

- We have already decided to waive late payment fees on loans for the next 90 days.
- Loan payment relief options will be offered on an individualized basis, so please contact your Loan Officer or our Loan Servicing Department.

We will continue to monitor developments with the COVID-19 pandemic and will communicate as we have information. Thank you for banking with Crest Savings Bank and allowing us to serve you. We are here for you as a partner and neighbor.
