The Pop-up blocker on your computer may be preventing the opening of a new window - a requirement to use Statements. (Pop-up blockers can be found in browsers, third-party toolbars, and anti-virus programs).

To open a new window, retry to access Statements
If you return to this message or wish to allow automatic access to Statements, please do one of the following:

- Disable your pop-up blocker while using our site
- Add this site to your pop-up blocker's list of permitted pop-ups

Note: in this example, we used the Google Chrome browser. Pop-up management will be different for each browser.

STEP 3:

The Consent and Authorization Agreement will populate. After reviewing the information please scroll to the bottom for the Disclaimer verification number. Enter the 4 digit verification number and select Accept. **You will no longer receive paper statements as this agreement applies to all accounts within your online banking profile with the exception of loan accounts. Loan statements are not available electronically.**
